BUSINESS EXPERIENCE

- 2021** **Trispan, London, UK**
London based mid-market Private Equity Firm with \$700M AUM
Private Equity Summer Analyst (2 months)
- Analysed three confidential information memorandums of potential businesses to be considered for investment in the opportunistic and restaurants' funds, and performed due diligence on these businesses
 - Reported insights to partners about two portfolio companies' board meetings I attended, and collaborated with managers at portfolio companies in accomplishing tasks such as competitor analysis and price setting
 - Took an active role in examining a potential project in a new promising sector (high profit margins of 30-40% of EBITDA), and prepared an introductory presentation for colleagues and our external partner
- 2020** **Murex, Beirut, Lebanon**
Financial Software Company
Summer Intern as part of the DevOps team (2 months)
- Automated the development of daily tasks in a DevOps team, by utilizing continuous integration principles through Azure Repos and Azure pipelines, which improved my software knowledge and coding skills
 - Trained on Murex's MX.3 software, and participated in advising corporate clients on the use of the platform through demos and workshops
- 2019** **Easho, London, UK**
Start-up, Toiletries Online Wholesaler
Multidisciplinary Summer Intern (2 months)
- Priced 30 products and determined optimal profit margins, by analysing more than 20 retailers' prices for similar products given the competitive nature of the toiletry and consumer goods markets
 - Designed and built a website that allowed personal hygiene charities to create wish lists to share with users - a public-spirited step that also led to an instant increase in sales and brand recognition
- 2017 - 2019** **Lebanese Embassy, London, UK**
Governmental Institution
Part-time event planner (2 years)
- Played a key role, in partnership with the Ambassador, to organise events and forums to promote Lebanese businesses and attract investors
 - Leveraged and enhanced communication skills to foster durable relationships with leading professionals such as investors, CEOs, MPs, and government ministers
- 2017** **AG Assurance, Brussels, Belgium**
Insurance Company
Research Intern (2 months)
- Collaborated with a select group to evaluate a list of six potential countries to which YONGO, a newly launched children's saving platform could present an opportunity and expand
 - Gathered and analysed data on Middle Eastern markets to decide on suitable investment opportunities, and presented my findings about the Lebanese market to the investment committee panel
